About CAAC

Inspiring Creativity, Connecting Cultures

Creative Asia Art Centre is a dynamic cultural space hosted by Creative Asia Foundation and Le Grange Gallery located at the World Trade Centre in Melbourne, dedicated to fostering artistic exchange and innovation across the Asia-Pacific region.

As a hub for exhibitions, workshops, and cross-cultural dialogue, the centre supports both emerging and established artists through curated showcases, mentorship programs, and community engagement. With a vision to promote creativity beyond borders, the Art Centre serves as a platform for contemporary art, heritage interpretation, and global collaboration.
